Project Title: CalCannabis Cultivation Licensing Program

Project Applicant: Bureau of Cannabis Control

Project Location (include county): Statewide

## Project Description:

The overarching goal of the Proposed Program is to establish a regulatory licensing program that would ensure that commercial cannabis cultivation operations would be performed in a manner that protects the general public, cannabis cultivation workers, and the environment from the individual and cumulative effects of these operations, and complies with applicable laws. An additional purpose is to establish a track-and-trace program to ensure the movement of medicinal and adult-use cannabis items are tracked throughout the production chain.
